

Small Team Taster Day Kilmington

Sunday 8th September

at Kilmington Village Hall, near Axminster

This event is designed for smaller handbell groups who only ring **12 bells to 2 octaves**; (not that we want to stop *anyone* coming; there are always those nights when larger teams are short of ringers!) Use 4 in hand or not, as you prefer.

We will concentrate on **small range music** (*Please bring 12 bells = middle C upward; and for 2 octave = G below middle C upward including 2 F# bells*). If your bells are not in standard pitch, we may have spares for you to us. This will enable everyone to ring all or part of any 2 octave music used.

We will **provide** some marked up copies or extracts of arrangements and compositions published in the HRGB *Mayola Collection* for you to try on the day.

There are quite a few new additions to the range (and even some older ones that deserve to see the light of day again) and if you like what you hear we can sell you the full pieces (with a special discount) for your team to add to their repertoire.

And of course we hope that you will demonstrate one or more of your own favourite short range pieces too – but of course if you'd rather not do a solo there will be no pressure.

Doors open 12.30 – you are welcome to bring a packed lunch or Millers Farm shop do good food (*see directions*). **Ringing 1pm – 5pm approx with a tea break - please bring a small contribution of food for a *Bring and Share tea*.**

*You are asked to note that photographs of this event may be published in the Regional Newsletter, the Society journal **Reverberations**, HRGB websites and other media publications as appropriate.*

This event is supported by HRGB South West Region but non members are most welcome
The day is suitable for new groups of ringers or individuals as well as experienced teams
